Grant of leave to Dr. E.P. Metcalfe, Vice Chancellor, Mysore University, and consequential arrangements.

Dr. E.P. Metcalfe, Vice Chancellor of the Mysore University, has applied for three months furlough on average salary in continuation of the long vacation of this year. The leave applied for is at his credit and it is proposed to grant him the leave. As regards consequential arrangements, since the period of the leave (apart from the vacation) is only three months, it is desirable that no unnecessary disturbance of officers should be caused, and from this point of view the most satisfactory arrangement would be to place Mr. Rollo in charge of the duties of the Vice Chancellor in addition to his duties as Professor and Principal of the Maharaja's College, and give him a suitable charge allowance. (Mr. Sell is senior to Mr. Rollo, but as the University headquarters are at Mysore, the possible alternative of placing him in charge would not be quite satisfactory. The same consideration would apply in regard to Mr. N.S. Subba Rao. Besides, the charge of the Director of Public Instruction by itself is a heavy one). Although only in charge, Mr. Rollo will preside at University Council meetings. Dr. Metcalfe's place on the Council of the Institute of Science may be taken by Mr. N.S. Subba Rao.

As regards the charge allowance to Mr. Rollo the usual amount would be 10 per cent of the minimum pay of the Vice Chancellor. There is no scale of pay fixed for the Vice Chancellor. Sir,

I have the honour to request permission of Government to avail myself of three months furlough on average salary in continuation of the Long Vacation of this year, in order to visit Australia. - And as the sailings to Australia from Colombo are only fortnightly and a steamer leaves on April 2nd. by which I should like to travel I request that Government may be pleased to permit me to be relieved on the 28th March (3 days before the beginning of the Long Vacation), without requiring the Vacation period to be treated as leave. These three days may kindly be treated as compensation leave in consideration of the fact that during each of the last three Vacations I have found it necessary to return to Mysore for more than a week to preside at meetings of the University Council and of the Moderation Board in connection with the declaration of results of University examinations.

I request the favour of early orders in the matter so that I may make final arrangements regarding passages.

Dear Mr. Ranga Rao

Before leaving Mysore I asked the Dewan as a particular favour to ensure that neither Granite Castle nor the Vice-Chancellor's House in Mysore should be utilised during my absence for the accommodation of Government guests. Sir Mirza Ismail very kindly gave me an assurance to that effect.

I now hear to my surprise that since my departure Govt. have on more than one occasion accommodated Dr. Forster at Granite Castle

While I have no objection at all to a friend like Dr. Forster being accommodated in a house allotted to me and furnished entirely with my own possessions — I had, indeed, invited both Mr. Rollo and Dr. Robinson to use the house during my absence and would gladly have extended the invitation to Dr. Forster — yet I have a very natural objection to strangers and their servants being given access to my personal belongings in my absence.

I should be grateful if as a favour if you will kindly arrange in future to accommodate guests ~~otherwise~~

otherwise than either of these two routes, in accordance with Sir Murray's assurance.

My wife and I had a good voyage out in Narkunda. I have visited two Australian Universities, the Western Australian at Perth and Sydney University here. At Perth I had lunch with the Vice-Chancellor and was shown round the new buildings recently erected at a cost of £400,000. The Pro-Chancellor of Sydney University (Sir W. McCallum) kindly gave a dinner party for my wife and me: and we lunched later with the Vice-Chancellor & the University & was shown round the Great Hall, Library, Administration Block, etc. I have met several of the senior Professors and hope to meet more. — Sydney has grown greatly since I was here twelve years ago. The motor traffic is denser than in most parts of London. The standard of comfort is so high that people like bricklayers go to their work in their own motor cars. With a population of 1.25 million this leads to traffic congestion!

The weather here is fine but cold, the temperature seldom below 60°. I hear that Bampton has been pretty warm. — With kind regards.

Yours sincerely

T. McKenzie.

20th June 1933

Dear Dr. Metcalfe,

Thank you very much indeed for your kind letter of the 30th May.

Perhaps I am wrong but so far as I know Dr. Forster was accommodated at the Granite Castle on one occasion and that was in accordance with the Dewan's instructions. I quite see your point of view and agree that it is very unpleasant to have some body handling your things and meddling with your arrangements. So far as I can gather there is no likelihood of that happening again.

I am glad that you are having such a good time in Australia and making such good use of your time for the benefit of the Mysore University.

Weather here was very warm but cooled down considerably after the breaking of the South-West Monsoon. But the Legislative Council meeting is making it warm again. Your budget is going through but not without the usual rigmarole about the undesirability of wasting money on University Education when Elementary Education is not receiving its due share of funds.

Kindly remember me to Mrs. Metcalfe. We are expecting Sir Mirza about the middle of August.

With kind regards,

Yours sincerely,

RG
